Re: Docket No. 98N-1038
Irradiation in the Production, Processing and Handling of Food

1137

Dear Mr. Hubbard:

As a citizen concerned about the food I eat, I strongly believe that I have a right-to-know if my food has been irradiated. Irradiated food should be clearly labeled with a statement that it was treated with radiation and it should have the international symbol for irradiated food placed in a prominent place on the label.

Sincerely,

Name: Alissa Ferranto

Address: 11 Fisk Place

- I also want to know when food contains genetically engineered ingredients.
